

## Call for Fellows to join the PEM CRC Steering Committee

### What is the PEM CRC?

The Pediatric Emergency Medicine Collaborative Research Committee (PEM CRC) is a subcommittee of the AAP Section on Emergency Medicine that supports multicenter collaborative research in PEM.

Learn more at <https://www.pemcollaborativeresearchcommitteepecrc.org/>

### What is the PEM CRC Steering Committee?

The PEM CRC Steering Committee is currently made up of 10 established PEM investigators and 4 fellow representatives. The Steering Committee reviews network proposals, oversees the survey competition, and serves to mentor junior investigators.

### What's in it for me?

Applicants are ideally current first-year (rising second-year) fellows but interested fellows in other years of training may be considered. Fellow members serve for two years on the PEM CRC Steering Committee alongside a group of experienced PEM researchers and mentors. Fellows participate in review of multicenter and national survey study proposals for adoption by the PEM CRC, advocate for PEM fellow research involvement and training, and have opportunities for scholarly activity.

### Responsibilities/Expectations

- Attend at least one PEM CRC meeting per year at the AAP or PAS conference
- Maintain membership in the AAP SOEM
- Participate in monthly PEM CRC Steering Committee conference calls
- Provide a voice for fellows' needs and interests
- Recruit future fellow members for the PEM CRC

### Reach out to the second-year fellow reps with any questions:

- Tamara Garcia ([Tamara.Garcia@childrenscolorado.org](mailto:Tamara.Garcia@childrenscolorado.org))
- Amanda Quijano ([Amanda.Quijano@yale.edu](mailto:Amanda.Quijano@yale.edu))

**Application deadline: Monday, May 1, 2024**

### Applications should include:

- Letter of interest from fellow
- Current Curriculum Vitae

### Please send application materials to:

- Tamara Garcia ([Tamara.Garcia@childrenscolorado.org](mailto:Tamara.Garcia@childrenscolorado.org)) &
- Amanda Quijano ([Amanda.Quijano@yale.edu](mailto:Amanda.Quijano@yale.edu))
